

## **Coaching Guidelines (Private Lessons)**

1. The board will set coaching hours in consultation with the coaches in advance of each season (March and September board meetings).
2. Coaching hours will be posted on the bulletin board and on the website.
3. Members should have reasonable access to coaching.
4. Coaching should not have an undue negative impact on members' access to courts. Therefore, coaching will not be allowed in prime time, during social tennis, league or junior lessons, or on statutory holidays.
5. During the winter season coaching court bookings must be released to the membership to book if they have not been confirmed 72 hours in advance. If a coaching court booking is cancelled within 24 hours the coaching fee will still be applied.
6. During the summer season the coach's weekly schedule will be posted beside the whiteboard.
7. Non-members receiving coaching will be charged a court fee of \$20.00/hour or \$15.00/45 minutes.
8. Coaching times in April, while the bubble is up, will be considered separately from other summer coaching times.
