

## **Coaching Guidelines**

Updated January 2019

1. The board will set coaching hours in consultation with the coaches in advance of each season (March and September board meetings).
2. Coaching hours will be posted on the bulletin board and website. During the outdoor season the coaches' weekly schedules will be posted beside the whiteboard.
3. Members should have reasonable access to coaching.
4. Coaching should not have an undue negative impact on members' access to courts. Therefore, coaching will not be allowed:
  - on statutory holidays
  - in prime time (before 1pm on weekdays and 4pm on weekends)
  - during social tennis, league matches or junior lessons
5. Members may use their own indoor court booking to have a lesson with a club-approved coach. A coach may be associated with more than one such booking at a time.
6. During the indoor season coaching courts must be released to the members if they have not been confirmed 72 hours in advance. If a coaching court is cancelled fewer than 24 hours in advance the coaching fee will still be applied. Approved coaches may exchange coaching times.
7. Non-members (adults and children) receiving coaching from a club-approved coach will be charged a court fee of \$25/1.25 hours or \$20/hour. This rule applies in both the indoor and outdoor seasons.
8. Approved coaches may use public court times to coach non-members.
